Savannah Militia Camp 1657
Chartered in 1994 with 18 Charter members.

July, 2009

Compatriots,

Our next meeting will be Tuesday evening, July 14th, 7:00 PM . At the Western Sizzling Steakhouse in Pooler. Please, make plans to be with us and bring a friend. We are working hard to make our meeting interesting, informative and fun. This camp is growing and adding members and we need every member to work on this recruitment effort.

It is that time again, time for every member to reenlist for another year. Our dues are still a low \$65.00 per year. We have enjoyed 100% reenlistment for the past 3 years, I don't think another camp in Georgia can boast on that achievement. That is the result of a lot of hard behind the scenes work. We have a real problem in our Division in that area. We have lost a lot of members in Georgia. A good number have gone away because we have lost our State Flag fight. I say that is one reason to stand true to the colors.

We had all eight delegates' allotted us at the Georgia Division last month. Our camp and the F.S. Bartow Camp # 93 and their six delegates, rented a van and road up together. It was a long drive and a long day, but our area delegates had the chance to see how our division is being run. I want to take this time to thank all the Brothers that went up and represented our camp.

On a sad note, our Color Sergeant Rick McCracken came by the house last Sunday to inform me that he was moving back home to Texas. He hopes that in a few months when work picks back up he will return to this area. Rick tells me he is not going to transfer to a Texas Camp but will maintain his membership with the Savannah Militia Camp, his camp. We have never had a more faithful member, email Rick at let him know you are grateful for his service. Redneckrick49@yahoo.com I know he would love to hear from you. Without Rick McCracken in charge of our trash pickup we will need someone to step up and take over this project. Let me hear from a few of you men.

Tuesday, July 21st, we will be holding our 3rd Quarterly Business meeting. At AUNT B's in Richmond Hill at 7:00PM. This meeting is for members only and all the business of the camp will be discussed, financial report, minutes of our meetings recruitment and activities of the camp. This is your camp, and I hope every member would be interested on how your camp is doing. Remember, we do not do camp business at our public meetings. We do not want our guess to be bored, and it takes up the time we could be fellowshipping.
