Savannah Militia Camp 1657  
Chartered in 1994 with 18 Charter members.

May 2010

Compatriots,

Our next meeting will be Tuesday, May 11, at 7:00 PM. (come early for fellowship). At the Western Sizzling in Pooler, GA Our speaker will be Compatriot David Dickey, he will share with us the role that International Banking played in the War Between the States, and how that relates to the times we are living in today. This should be both interesting and controversial. You will not want to miss this meeting, and bring a friend.

I can not believe the progress this camp is making. Last summer our camp lead the way to repairing/repainting every Confederate Iron Cross of Honor in Chatham County, nearly 900 of them in three Cemetery's.

Again this year, we were able to have the best looking unit in Savannahs St Patrick's Day Parade. Ask anybody! Take a look at this months Georgia Confederate News Letter! Article/Pictures. Next year, we will do it a little better!

We now have up and running one of the best Camp web-pages ever. [www.scvsavannah.com](http://www.scvsavannah.com) if you haven't visited it yet, please do it today! Thanks, to Compatriot Stephen Newsome.

Last month on Confederate Memorial Day, we made a commitment to clean the grave stones in the Gettysburg Lot, in Laurel Grove Cemetery. As of this writing that work is nearly done, visit the lot and see what all has been done. Thanks to the faithful service of all that have worked so hard, again. If you want to help with some of the work, let Ron Coats or Fred Royal hear from you. Special thanks to the Mr. Harvey Rosenzweig, owner of Savannah Cemetery and Monument Maintenance Co for his invaluable help. Everybody that knows Harvey, knows how hard he can work.

I hope all of you that volunteered to serve as a delegate to the Georgia Division Reunion, has by now received your registration form and have mailed it in. Your camp is counting on you. We will leave from the Western Sizzling Steakhouse in Pooler, at 05:30 hours on Saturday June 12<sup>th</sup> drive to Milledgeville GA and return that same day.

Where there is no vision, the people perish; Proverbs 29:19. You may ask what is our vision? To be more, to do more, to have more. What do we owe those that march the bloody miles? Bring someone to the meeting, help us become more.
