Brothers, our camp has come through again. The fence around the Confederate Lot in Laurel Grove Cemetery, has been restored to its original beauty. Thanks to a lot of hard work and dedication of a few good men. Go by and take a look at our work in Laurel Grove, I think you will be inspired. If you don't feel the pride, you should. Also, go and take a look at our Confederate Monument in Forsyth Park. See how well the city is maintaining it. Thanks to the follow-up work by 2ed Lt, Commander Ron Coats. What more can I say, Men well done!!!
