Remember , our Brother Doyle Todd in pray. He had gallbladder surgery last month, with complication. He was 12 days in the hospital and is now resting at home. I spoke with Brother Doyle a few days ago, he said he is doing well, and will soon be back at it again. Where would our camp be without Doyle Todd and his family?

Our next meeting will be Tuesday January 10<sup>th</sup> at the Western Sizzling Steakhouse in Pooler GA. Fellowship and meal to begin at 6:30 PM meeting to start at 7:30. Bring a friend and enjoy the fellowship.

I will be speaking about the real CAUSE of the War Between the States. Think you know? Let's talk about it. This should be fun and interesting.

Well, Brothers another year is upon us. Let us renew our commitment to our Camp, its works and fellowship. At years end, we were 120 members strong. We are the largest camp in the Georgia Division. What would happen if everyone of us were to work to recruit just one new member this year? If you would make it a priority to support your camp, attend its meetings, join in its activities, we could do great things together.

Remember, your Confederate Veteran ancestor, he never gave up, he never forgot, and he would never want you to forget him.
