Compatriots,

Our next meeting will be held on Tuesday, October 9th, 6:30 pm for our meal and fellowship. Our program will begin at 7:30 pm, plan to be with us and bring a friend. Let us see if we can fill our room to overflowing.

We are still not there; we are working toward 100% retention. Thanks to all of you that have renewed with us. If you have not paid your dues, please do so before our deadline. We know that all our members are honorable and responsible men, who want to continue to honor their Confederate Veteran Ancestor.

Our Golf Tournament is right now upon us. We have made plans for a great day. We are still looking for a few teams to play and a few more hole sponsors. If you have not signed up, please do so; you don't need to be a golfer to play with us.

On Sunday afternoon Jeanette and I drove to Midville GA, to meeting one very interesting man and his family. Mr. Floyd Cross, who has filed a complaint of Grave Desecration, [for the 2nd time](#), with the Burke County GA Sheriff's office, the Magistrate and the Solicitor of Burke County and has seen no response from these officials.

There were six marked graves in the cemetery, two of these men being Confederate Veterans. Pvt. Rufus Cross. Mr. Floyd's Great Grand-Daddy and his Great -Uncle John Cross and other family members. The logging people bull-dosed the cemetery and piled the rubble and stumps up and left the mess for the family to find. Shame on the landowner, the loggers and the public officials, who have not taken any action on this case. This cannot Stand. Let us help Bro Cross.

Brothers, help me keep the history of our beloved ancestors alive.
