Savannah Militia Camp 1657
Chartered in 1994 with 18 Charter members.

June 2012

Compatriots,

Our next meeting will on Tuesday, June 12th, 6:30 pm for meal and fellowship. Meeting to start at 7:30 pm. Come early and enjoy the camaraderie. One of the best parts of our camp meeting is the fellowship we have together. Plan to be with us, bring a friend and the Ladies are always welcome. If things go as I expect, we should be adding two new members to our camp, bring us to 125 members. I am working on something you will enjoy, for this meeting.

Remember this, our Honor Guard will be drilling on Saturday morning June 9th, 0900 hours. Laurel Grove Cemetery. If you have committed to be a part of this, you need to be there. Color Sergeant Greenwell, will put you through the movements. If you haven't heard about this program and want to take part, you are invited.

You know, we will need players, (people that want to have fun). You can get a team up. We need HOLE SPONSORS. Everyone can sell one! Why not you and your family buy a hole??
More details next month!

I am persuaded that this camp can get the job done. Our work details are doing such fine work. What a fun time it is to see our goals met. Wait until we rededicate the Gen. McLaws UDC lot. That will be a proud day. Thanks go out to 2nd Lt Commander Ron Coats, and his team of dedicated workers; they are doing the work of the SCV.

What more can be said? Look around you, the evening news tells you, The South was RIGHT! We are few but can be many, it is up to you. Find a recruit for your camp, if every one of us finds just one man. Think about it.
