Savannah Militia Camp 1657
Chartered in 1994 with 18 Charter members.

July 2012

Compatriots,

As most of you know, we lost Brother Warring Stokes this month. We have lost a good friend and a committed, hard working Compatriot. The camp continues to extend our heart-felt condolences to Dorothy, Dale and Hank. Warring, I know the fish are biting where you are. It was a joy to know you, and we will see you again soon. Semper Fidelis.

Our next meeting will be Tuesday July 10th, 6:30pm for fellowship and meal, program to start at 7:30. As always we meet at the Western Sizzling in Pooler. Our speaker for the evening will be our Color Sergeant Cecil Greenwell; he will be sharing with us the history of his home state of Kentucky in the War Between the States. I know that Cecil will present an interesting program. Plan to be with us and bring a friend. Remember, the Ladies are always welcome at our meetings.

Next week some of us will be traveling to Tennessee, for the SCV National Reunion. This is an election year; pray the good Lord will give us all wisdom to make the right decision's to continue to move our organization forward.

Remember, the date our Golf tournament is Friday Oct 19th. That will be just around the corner. We need to get to work right now. Do you have your team up yet? Have you found a sponsor for just one hole? Yes, you can do it! We can do it together, help us make this year the best one yet, why not?

Our dues are due in August. You can renew your membership any time. Mail a check for \$65.00 made to the Savannah Militia Camp, to Douglas Hansen. #20 Plantation Rd Midway GA, 31320

This is the hardest working camp in the nation. I take a lot of pride in all we do. Help us! Call Ron Coats, for details 754-4192 he can use your help.
