Savannah Militia Camp 1657  
Chartered in 1994 with 18 Charter members.

**January 2013**

Compatriots,

Our next meeting will be held on Tuesday, January 8th, 6:30pm (meal/fellowship) program starting at 7:30pm. We will be meeting at Western Sizzling in Pooler Ga. I don't know of a camp with a better meeting place than we have.

We will continue our program on the Battle of Gettysburg. Last month we started a multi part look at this battle. Part #1 was about the necessity of the battle, the planning and provision, the movement toward the battle, etc. This month plan to be with us, bring a friend and the ladies are always welcome.

This Camp continues to amaze me. We are growing! Almost every month we are adding new members. That's because you care about the mission we have before us. We are all living the Charge that Gen. S.D. Lee called us to. We all know we can do more to forward the work of the camp, and I know you all will. Remember, this is your camp! The camp's successes belong to you all.

St Patricks Day Parade, will be here before you know it, make ready to be with your unit when we parade our colors before the city of Savannah ones again.
