### November 2013

Compatriots,

I need to inform you'll of some changes we are going to implement in the operations of this camp in the near future. No, I am not leaving are stepping down. We are the largest camp in Georgia and are one of the best-funded camps around. But we need more participation from you, our members. I want every member to invest more time and take ownership of this camp. The few cannot continue to do for the many. You are going to be hearing from your Brothers before long and I want you to respond in the way our Fathers answered the call of our country.

I have watched to many good men, drop out of camps and to many Camps go down to nothing. We cannot set back and do nothing. I saw this year way to many of our members take way to long to renew their commitment to this camp. I thank every one of you that have responded to our call.

Like no other camp, we try to have interesting meetings, good fellowship and great outside activities such as The St Patrick's Day Parade, our annual Golf Tournament and many civic works projects in our community. We meet at the same place every month, on the same day and at the same time.

That is the Western Sizzling Steakhouse in Pooler GA, on the 2nd Tuesday of every month. 6:30 PM for food and fellowship with meeting and program starting at 7:30 pm. Come be with us, you are missed when we don't see you at your meeting. We are going to be working on setting up a phone tree soon. So you may be getting the call to help us with that. We are going to setup rides for our members that can't drive to the meetings at night. We are all Brothers, and Sons of Confederate Veterans.

In the coming year I would like to see more camp members working and playing in the golf tournament. And a lot more of us dressing out and marching in the St Patrick's Day Parade.
