Savannah Militia Camp 1657
Chartered in 1994 with 18 Charter members.

March 2013

Compatriots,

Our next meeting will be Tuesday, March 12th at 6:30 pm for fellowship and meal, with the program to start at 7:30 pm. The meeting will be at Western Sizzling Steakhouse in Pooler. This month we will cover the 3rd day at Gettysburg, Pickets Charge, it gets better every month. Make your plans now to bring a friend and don't forget, the ladies are always welcome.

St Patrick's Day is here; I hope everyone is ready to march with us. Remember, Saturday March 16th we will be forming on Drayton Street, near the Mansion Hotel. Come early, dress the part, bring water and a snack, it will be a long day. I have been told we are being moved up in the line, so that means we may not have as long a wait as last year. This is the BIG EVENT for us in this area, so let us make it the best yet.

Gentlemen, if you have been attending our meetings you know that our camp continues to grow. Hardly a month goes by that we don't add a new member or two. Through hard work we have built the largest and one of the hardest working camps in our division. If we are to continue to build and have a presence in our community it is going to take all of us working together. Your support of your camp is critical to our successes.

What will we do, when that POLITICALY CORRECT CROWD up in city hall decides to pull down our Confederate Monument in Forsyth Park? OH, that could never happen, you might say. Well, who would have thought that same crowd would ever have the power to change our State Flag? They did, and they will continue until every vestige of our heritage is removed from public view. I would bet our monument is on someone's bull's eye right now.

If we are large and active and have a voice we can prolong the defense of our heritage until the day we pass it on to the next generation. If we set back and do nothing then you will see the end of a proud people. A history so vile and people so evil they should not be honored. That is what they are teaching our children everyday. Support your camp stand up with us and defend our people, our history, and our heritage.

I hope to see every member at the March meeting.
