Compatriots,

Our next meeting will be, Tuesday July 14<sup>th</sup>, at the Western Sizzler in Pooler, be there at 6:30 pm for fellowship and supper. Our program will begin at 7:30, the 8<sup>th</sup> GA String Band will be our entertainment for the evening. The owner of the Sizzler told me this Saturday that he has received complaints about us meeting in his restaurant. But we have nothing to worry about. We will continue to meet there as long as we can. Remember to tip well.

We will be drawing our winning ticket for our lottery this month. If you have not bought a ticket yet you need to. If you have tickets and money to turn in this will be the last meeting for those tickets.

As you're all aware, we are under attack again. The terrible and cowardly shooting of the innocents at the Church in Charleston, has brought an avalanche of criticism down on everything Confederate. Everyone from the President to Hollywood are calling for the removable of all things Confederate. The media is stirring the pot of racial divide. The dark clouds have gathered over us again.

You may ask what can I do? Let me tell you, we have many friends. I have received many calls from concerned men. I have been mailing out applications. I am including an application with this letter, use it. This fight for our heritage has just begun. It is time for all our friends to stop standing on the side line and get in the game. Call Governor Deals office and complain about his cowardly decision to stop the sale of our SCV license plates. His number is 404-656-1776 be nice, be firm, but do it. Remember, Roy Barnes? Not many people do, last time he was seen he was leaving Atlanta, and looking for a job.

Remember, we are going to dedicate the Gen. McLaws lot that we rebuilt out at Laurel Grove Cemetery on Saturday September 12<sup>th</sup> 10:30 am. Making big plans for this long overdue event. But then again the timing maybe just right.

Our Golf Tournament will be here before you know it. Friday October 12<sup>th</sup> 12:00 noon, Sterling Links Richmond Hill GA. Help we get the word out, we need players and sponsors. You don't need to play golf to help us.

Gentlemen, we are still the largest, fastest growing, best funded and the most active camp in the GA Division. This is because of a lot of hard work by many good people. Join us in this good work, if you don't think you can help us, call me I will find you something to do.

Our Flag is in danger, Our Car Tags are in danger, and The Monument in Forsyth Park could be in danger. When will we stand up and be heard, when it is all gone? The Confederate needs you to get active in your camp. He has no friends in the government or the media. He can count only on his Sons!

Sincerely,

Don Newman
